This attractive apartment is located in a quiet residential street in the heart of Torremolinos with all the services at the doorstep, only a few minutes walking from the train station and to the beach. As we enter the property, we have an entrance hall that leads onto the spacious living room with a sunny terrace that boasts beautiful sea views. Fully equipped kitchen with laundry area. The apartment has four spacious bedrooms and two bathrooms. Small and quiet community with garden and pool. Underground parking. Torremolinos has recently recovered its spot as one of the most interesting places to invest on the Costa del Sol. Its proximity and direct railway to the airport and to the city centre of Málaga, which currently the fastest growing city in Spain, are key to this success.
