Apartment with 2 bedrooms and 1 bathroom. The location in Riviera del Sol, close to the beach and shops, is definitely a plus, especially for those looking for comfort and quick access to everything they need. The 40 meter garden also adds good outside space to enjoy the weather. The fact that it is a ground floor apartment with sea views is an advantage, as it provides an excellent opportunity to enjoy a relaxing environment, and with the pool in the urbanization, even better! Although it does not have a storage room, the size of the apartment (62 square meters) and the kitchenette can make it practical and functional for someone looking for a low-maintenance property.
