This beautifully positioned apartment set in a much sought after location offers everything you need, with close proximity to all local facilities. The apartment has been recently decorated to a very high standard and is bright and airy with a lovely relaxed feel. The open plan kitchen lounge/diner makes this a great entertaining and social space with the added bonus of an open fire for those cosy nights in. The bedrooms are well proportioned with the master benefitting from an en-suite. The private terrace is perfectly positioned to soak up the sun with lovely garden and pool views, with the added bonus of a BBQ to enjoy in the summer nights. Due to its location and condition, viewings are highly recommended as this will be snapped up quickly. **IMPORTANT:** We have recently sold an identical property in this urbanisation and we can confirm that the community WILL allow short term rental. The last property sold within 5 days, so don't miss this opportunity.
