Its 278 m<sup>2</sup> built area and 247 m<sup>2</sup> usable area offer a spacious and cozy space ideal for families. It boasts 4 bright bedrooms, 3 full bathrooms, and a guest toilet, as well as an elegant living-dining room that opens onto a charming patio. This townhouse has every amenity you could imagine: hot and cold air conditioning in all rooms, automated lights and blinds, and solar panels for hot water. It also has an electric vehicle charging station, double-glazed windows, and a security door that guarantees security and energy efficiency. The sea views from the solarium and terraces are simply stunning, with an east-west orientation to maximize natural light. The basement houses a practical storage room and two parking spaces.
