Look no further for a Penthouse that has it all. Totally refurbished down to smallest pipe or wall. This 4 bedroom 4 bathroom apartment can be proud of having 750 meters of lists on walls and skirtings imported from the deep woods of Sweden, a totally professional wine room with Zanotti machinery, 14 tons of natural stones, plunge pool and a wooden parquet floor. Add to that HansGrohe taps and showers and you won't find nothing like this on the market. Sea views for sure!
