200 m²

Beautifully reformed, bright and very spacious apartment with south and west facing private terraces totalling some 40m² with sea, mountain and garden views, located within easy walking distance of Costalita beach, local restaurants and beachbars. The property comprises of a large lounge-dining room with unique television wall,, brand new bespoke kitchen, master bedroom with hand crafted wardrobes and ensuite bathroom plus second bedroom and bathroom. There is also the potential to make a third bedroom if required. The apartment boasts many additional features such as newly tiled terraces, glass curtains, hot and cold airconditioning. Accessed via stairs or lift, the property has an underground private carparking space and storage room. The community is beautifully maintained with landscaped subtropical gardens and swimming pool.

An apartment refurbished to the highest standard, in a fabulous location and priced very reasonably in order to sell!
