Three-bedroom corner apartment on the second line of the beach in the Miramar area of Fuengirola. This beautiful apartment is located in an idyllic setting, less than a minute from the beach, with the Sohail River Park and Castle on one side and the promenade on the other. Whichever direction you choose when you go for a walk, you'll be right in the right direction.

You'll also have all the services you could need within walking distance: a shopping center, schools, pharmacies, supermarkets, a health center, and easy access to the highway, with the airport just 15 minutes away.

The apartment is distributed as follows: upon entering, we find a hallway with a laundry room on the right. We continue through the hall, which contains two double bedrooms with built-in wardrobes that share a bathroom, and the master bedroom (a huge one with an ensuite bathroom and access to the terrace).

The living-dining room and kitchen are connected by a breakfast bar, and the kitchen is fully equipped with appliances, including a dishwasher. From the living room, we have access to the L-shaped terrace with side views of the sea and parks. The street is pedestrianized, so you won't be bothered by traffic noise.

The complex has a swimming pool and beautiful gardens that lead to the promenade.
