DETACHED HOUSE IN THE CENTER OF PICTURESQUE MIJAS PUEBLO.

Detached house in Mijas Pueblo, close to all amenities, in a quiet area outside the town's commercial area. The property is in need of renovation, but once completed, it could become a spectacular and highly valuable property.

Currently, the property has a constructed area of 275 m<sup>2</sup> and is distributed as follows:

Direct private entrance from the street at the same level, living room, dining room, kitchen, terrace with spectacular views of the Mediterranean Sea, bathroom and access to the pool area, storage room, and typical Mijas caves.

Up a flight of stairs, we find 3 large bedrooms and two equally large bathrooms.

If you are looking for something with character, substance, and cozy, you will not find a similar property.

The house is a very attractive project, both as an investment and as a way to create a family home. The possibilities are endless and highly anticipated.
