Contemporary villa with great sea views and south facing, with large windows so all rooms are light and airy. The villa is in the municipality of Estepona, set between the mountains and the sea.

The villa is luxuriously furnished and finished with top-quality materials. The terrace and veranda complement the areas around the garden and private pool so that the mild climate can be enjoyed all year round.

Functionality and design combine the large living space with integrated-dining room and kitchen, leading to a family-oriented lifestyle.

On the ground floor, you will find a spacious lounge with a cosy dining area alongside with direct access to the terrace. The dining area is connected to the open kitchen which offers the laundry room and separate toilet behind it. On the first floor you have 2 beautifully decorated spacious bedrooms en suite with access to the first-floor terrace and panoramic sea views. On the min 1 there are 2 more spacious bedrooms with a shared bathroom.

The entire villa has air conditioning in every room and living area.

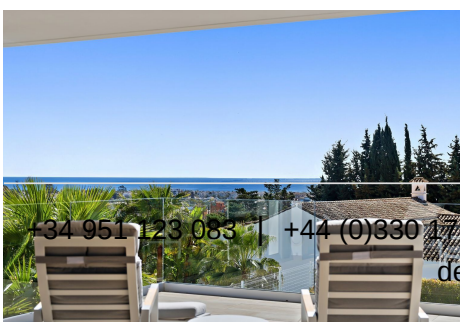

The whole villa exudes tranquillity and cosiness. There is also a nice chill out roof terrace with 360-degree views
