Exclusively with us! Attention investors and large families! This could be your opportunity! This is a very large country house with a built area of 368m², a 50m² pool, and a 4905m² plot located near the Hotel El Mirador in Alhaurin el Grande with excellent access.

On the 4905m² plot, which is fully fenced, there is a small 40m² guest house, a 50m² pool, a single-car garage with a large 55m² workshop, and a small 14m² bungalow.

The 101m² main house, facing southeast, has five bedrooms, one of which has an en-suite bathroom, a bathroom with a bathtub, and another room that is currently used as a large storage room but is actually a bedroom. A large living room and a small room with a fireplace, as well as a fully equipped kitchen, a fully glazed veranda, and a laundry room. Next to the large pool is an outdoor bathroom with a small utility room. Behind the main house is a beautiful, large piece of land that is very flat and ideal for planting a vegetable garden or simply for your animals to enjoy!

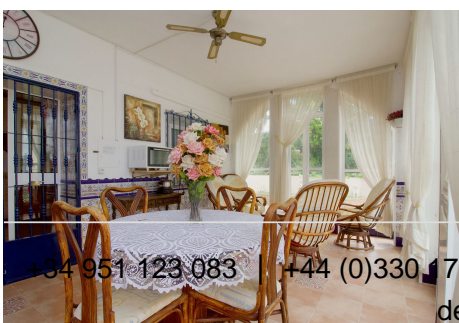

The property needs some renovation, but has great potential due to its location and size.
