Spacious elevated ground floor apartment with 2 bedrooms and 2 bathrooms, offering excellent potential for renovation. The property enjoys a desirable south-facing orientation with pleasant sea views and plenty of natural light.

Situated in the well-established community of Las Terrazas de Los Almendros, residents benefit from a communal swimming pool, tennis court, and well-kept green areas. The location provides easy access to amenities, with the shops and restaurants of Los Halcones only a few minutes away.

This apartment represents a great opportunity for investors or clients looking to modernize a property to their own taste in a sought-after area.
