Beautiful and Exclusive Apartment in Los Monteros Hill Club – An Oasis of Elegance and Views

Welcome to this exceptional apartment in the prestigious gated community of Los Monteros Hill Club – one of Marbella's most sought-after addresses.

Here, tranquility, security, and luxury come together in a spectacular location high above the Mediterranean.

The property has had only one owner, who has maintained a strong focus on quality and aesthetics from day one. This attention to detail is evident throughout from the elegant doors and wardrobes to the beautiful bathrooms and the fully equipped kitchen with carefully selected materials.

With a living area of 133 m², the apartment features two bright and spacious bedrooms, two modern bathrooms, and an open, airy floor plan with the possibility to create a third bedroom without compromising the generous sense of space.

Large glass sections invite natural light to flood in and open up to a breathtaking sea view – a panoramic vista of the Mediterranean, Gibraltar, and the African coastline, which can be enjoyed from almost every room.

The partially covered terrace of 76 m² serves as a natural extension of the living space, creating a seamless flow between indoors and outdoors. Here you can enjoy the sun, the serenity, and the stunning views to the fullest – all year round.

The interior design is tasteful and timeless, featuring classic Danish designer furniture that enhances the apartment's exclusive and inviting atmosphere.
