This modern open plan apartment is located in a secure gated complex in the upper part of Calahonda enjoying amazing views to the sea. What we really like about this property is the extra wide spacious living area and large terrace. The complex has five pools to choose from and this apartment comes with a private underground parking space and also a lockable storeroom. We strongly recommend a visit. This property does have the tourist rental license. A private garage parking space and storeroom included in the price.
