Access is through the living room, with a separate dining room and kitchen. There is an office with a storage room adjoining the kitchen that can also be used as a guest bedroom. It has 3 bedrooms and 1.5 bathrooms. From the kitchen you have access to the large outdoor areas with covered, cobbled terraces, suitable and with a space for barbecue, solarium and a garden, where it is possible to install a jacuzzi, as it has the necessary basic facilities.

It has a new rainwater drainage system, which worked perfectly during the 2026 winter rainy period.
