CALAHONDA, MIJAS

Great opportunity to acquire one (or more) of the 6 properties available for sale (most are adjoining, making them ideal for large families) in this small development of townhouses in the commercial area of Calahonda, within walking distance of shops and the beach. Strategically located between Marbella and Fuengirola, with excellent access to the A-7 motorway. Just a 10-minute walk to the beach and right next to the Los Olivos Shopping Centre, where you will find supermarkets, restaurants, a pharmacy, and shops.

The homes are part of a quiet, private development offering a communal swimming pool, landscaped gardens, and a communal elevator from the lower level of the parking area to the communal areas, providing easy access to the homes. Each property includes two private underground parking spaces.

These properties represent an excellent renovation opportunity, ideal for both designing a custom home and investing in a highly sought-after area of the Costa del Sol. The photos with furniture are AI-generated to give an idea of the possibilities these properties offer.
