Each home has been designed with an intelligent layout that includes: ground floor, upper floor and basement, offering spacious areas that guarantee comfort and functionality. The property features a generous outdoor space and private parking, as well as a charming garden and private swimming pool, ideal for cooling off and relaxing in the privacy of the home.

Large windows allow abundant natural light to enter, creating a harmonious visual connection between the interior and exterior. The kitchen, open to the living room, is fully furnished and equipped with high-end appliances, providing a modern and practical environment.

The home has three bedrooms, each with an en-suite bathroom and facing east, ensuring brightness during the early hours of the day. The finishes are exclusively by Porcelanosa, reflecting a commitment to quality and design. In addition, it incorporates home automation systems that allow easy control of various aspects of the house.
