Interior Layout

The apartment is presented in excellent condition and has been well cared for by the same family since construction. From the entrance hall, the main living and dining area sits to the left and opens directly onto the balcony.

Opposite the living area, the fully fitted kitchen includes a fridge freezer, electric hob, oven and a recently installed dishwasher. In addition, the adjoining utility room houses the washing machine and provides practical extra space.

Both bedrooms lead from the central corridor. The main bedroom includes fitted wardrobes and an en-suite bathroom with bath, while the second bedroom also has fitted wardrobes and a Juliette balcony overlooking the pool, gardens and parkland beyond.

The second bathroom has been renovated with a walk-in shower and also serves as a guest WC. Moreover, the central air-conditioning system was upgraded approximately one year ago.

Balcony and Views

The 11.5 m² balcony is comfortably sized for a table and chairs, making it suitable for morning coffee, evening drinks or relaxed outdoor dining. Although officially measured at 11.5 m², the space feels generous in everyday use.

From the balcony, the outlook extends across Phase 1 of Residencial Duquesa, with partial sea views visible between the neighbouring buildings. As a result, the property offers a pleasant outdoor setting without losing the convenience of a central, walkable location.

Community and Location

Residencial Duquesa is a well-maintained gated community with landscaped gardens, a communal pool and a children's pool. The apartment is one of only two homes on its floor and one of six apartments in the block, which gives the building a quieter residential feel.

The lift connects the apartment level with the ground-floor gardens as well as the secure underground parking and storage area. Therefore, the home works well as a permanent residence, holiday base or lock-up-and-leave property.

Duquesa Marina, the beach and a broad choice of cafés, restaurants, bars and shops are a little over 10 minutes away on foot. In addition, Mercadona and the schools of San Luis de Sabinillas are within walking

distance, which adds strong practical appeal for both families and longer-stay residents.
