TWO TERRACES WITH PANORAMIC SEA VIEWS — CASA BANDERAS, LA CALA DE MIJAS

South and southeast facing, with the Mediterranean stretching out ahead and the hills rising in the distance. Two generous terraces totalling 60 m² open onto a panorama that runs from the sea to the coastal hillsides — and the sun stays with you from morning to late afternoon.

Set within one of Casa Banderas's most sought-after blocks, this home offers a view few in the area can rival. An open-plan kitchen and living room create a bright, sociable heart of the home, where large sliding doors invite the sunlight in and lead seamlessly out to the terraces. One terrace is shaded by a pergola — ideal for long lunches with friends — while the other is an open sun terrace with room for lounge furniture, sunbeds, and your own BBQ. All three bedrooms open directly onto the terraces, creating a truly seamless indoor-outdoor flow.
