3-bedroom, 2-bathroom first-floor apartment offers a practical layout and open views. The property includes a bright living area, well-sized bedrooms, and a functional kitchen, making it suitable for family living. It comes with private parking and a storage room, providing useful extra space. Residents also have access to a communal swimming pool.

The location offers easy access to local amenities, transport links, and surrounding areas, making day-to-day living convenient.

Overall, this is a solid option for families or buyers looking for a well-located, low-maintenance property with essential features in place.
