Bright 84 m² apartment in Benahavís with a spectacular 40 m² private terrace, ideal for enjoying the climate all year round. The property has a communal pool, garage space, and storage room.

Its layout includes 3 bedrooms, 2 full bathrooms (one en-suite in the master bedroom with a bathtub and another with a shower), a spacious living room, a separate kitchen, and a laundry room.

The underground garage space has been adapted as an additional storage room, complementing the existing storage space in the home, with direct access from the terrace. This modification was approved by the community of owners.

If you prefer its original use as a parking space, there is the possibility of easily reversing the renovation, as it was carried out using removable elements and plasterboard enclosures.
