Apartment with Sea Views, Spacious Terrace, Private Garage & Storage Room – Outstanding Potential in Sought-After Arroyo de la Miel

Some homes impress with luxurious finishes. Others offer something even more valuable – the opportunity to create a home that truly reflects your own style and vision.

Enjoying a desirable south-facing orientation, a generous terrace and beautiful views towards the Mediterranean, this apartment provides an excellent foundation for those looking to personalise a property in one of Benalmádena's most sought-after residential areas.

The spacious terrace extends across both bedrooms and the living room, creating a seamless connection between the indoor and outdoor living spaces. Part of the terrace has been incorporated into one of the bedrooms, providing a versatile additional area that could serve as a reading corner, home office, hobby room or peaceful retreat. The remaining terrace naturally becomes an extension of the living area, perfect for morning coffee, outdoor dining and relaxing evenings overlooking the sea.

Inside, the apartment offers a practical and well-designed layout comprising two bedrooms, a bright living

and dining room, a separate kitchen, a utility room and a bathroom. The functional floor plan provides an excellent starting point for future improvements while remaining comfortable and highly practical.

Rather than being defined by modern finishes, this is a property that stands out for its location, views and exceptional potential. It presents a wonderful opportunity for the next owner to renovate gradually and create a home tailored entirely to their own taste while benefiting from a spacious layout with excellent fundamentals.

The property also includes a private underground parking space and a generous storage room—two highly desirable features that add everyday convenience and long-term appeal.
