We are pleased to offer this unique apartment in the heart of Estepona. The apartment is located in a newly constructed, recently completed building.

The brightly lit interiors feature three bedrooms and two bathrooms. The living room opens onto two balconies – one measuring 11 m² and the other 3 m².

The development boasts beautifully landscaped common areas, including timeless staircases planted with exotic plants, an outdoor swimming pool, a gym, and a coworking space.

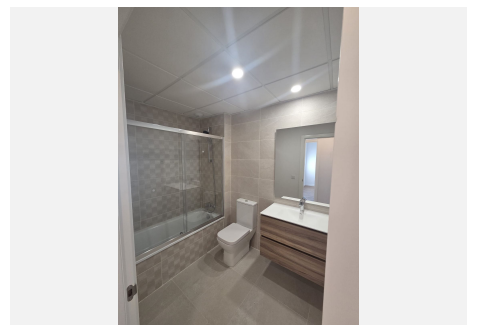

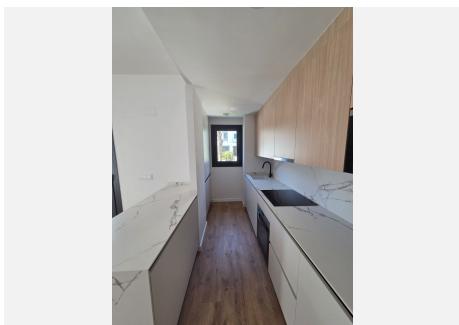

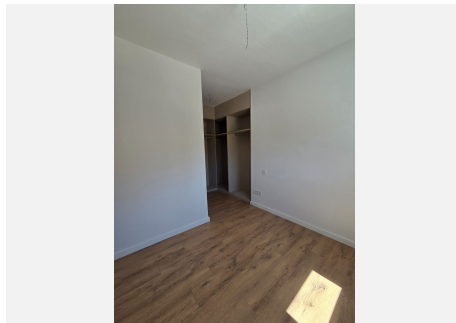

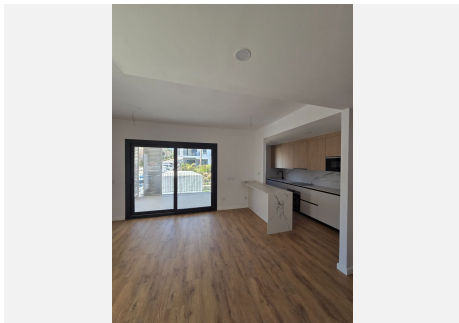

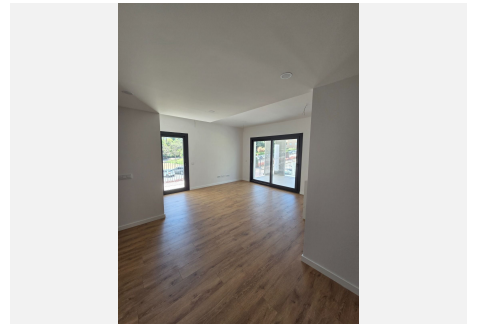

The apartment includes a parking space in the underground garage and a storage unit.

The development is surrounded by numerous shops, restaurants, and sports facilities. The beach, port, and old town are just a few minutes' walk away.

This apartment smells brand new, one of the few opportunities to live in a new development in such a prime location.
