Sun-Drenched Solarium: The upstairs studio opens onto a generous private solarium, boasting all-day sunshine and panoramic open views.

Exceptional Outdoor Living: Set within a well-sized private garden, the property includes a spacious outdoor utility and summer kitchen area—perfect for al fresco dining and entertaining year-round.

100% Eco-Friendly & Off-Grid Capability: Enjoy ultimate independence and zero-carbon footprint running costs with a fully integrated solar power system and its own private well water supply.

Renovation Potential: The property is in full working order and ready to live in rustic comfort, yet provides a fantastic canvas for mild modernization to raise it to contemporary standards.

Prime Location

Situated in the established enclave of Princesa Kristina, the home strikes a perfect balance between nature and convenience:

Nature at Your Doorstep: Direct access to stunning countryside walking and hiking trails, as well as a scenic local lake/dam area.

Coastal Convenience: Located just a short drive from local beaches, supermarkets, restaurants, coastal amenities, and nearby ports.

A standout property for buyers seeking energy independence, outdoor space, and flexibility in a serene Mediterranean environment.
