Located in area of Las Chapas, Málaga, this renovated townhouse offers a versatile layout across four levels: a basement, two residential floors and a private roof terrace with pool and with panoramic views towards the surrounding mountains and swimming pool.

The property is in very good condition and offers five bedrooms and three bathrooms, with air conditioning throughout. The basement can easily be separated from the rest of the house, making it ideal for guests, older children or teenagers who want their own space, or for those considering renting out this part of the property independently.

One of the highlights of the home is the spacious roof terrace, offering a private outdoor area to enjoy throughout the year. The terrace features a swimming pool, comfortable sofas and a barbecue area, creating a great space for relaxing, enjoying meals outdoors or entertaining friends and family while taking in the panoramic surroundings.
