Elegant Penthouse with Panoramic views to the sea and the La Concha mountains

Welcome to this beautifully designed 2-bedroom, 2-bathroom apartment in the exclusive Paraiso Pueblo Phase II, completed in 2023 — a sophisticated resort-style community in one of Benahavís' most desirable settings.

With a Tourist Licence already in place, this property offers an attractive combination of private Mediterranean living and excellent rental potential.

A HOME DESIGNED FOR THE WAY YOU WANT TO LIVE

The apartment offers 101 m² of bright, elegant interior space, with a generous open-plan living, dining and kitchen area designed for both relaxed everyday living and entertaining.

High-quality materials, contemporary finishes and carefully considered design create a home that feels modern, comfortable and effortlessly stylish.

And then there is the outdoor space.

Step outside onto your 16 m² private terrace and enjoy panoramic views towards the sea and the surrounding green landscape.

What makes this property particularly special is the feeling of privacy. No direct views into neighbouring apartments, rooftops or pool areas — just open scenery and tranquillity.

And above it all, your own 65 m² private rooftop solarium.

A generous private space for morning coffee, long lunches, sunset drinks or simply enjoying the Costa del Sol sunshine with views stretching towards the sea.

Paraiso Pueblo offers a lifestyle normally associated with a luxury resort, while your apartment remains your own private retreat.

The community features beautifully landscaped surroundings and excellent facilities, including a main swimming pool, gym, restaurant, sauna and coworking area.

Yet this particular apartment is positioned in one of the quieter, car-free parts of the community — close enough to enjoy the facilities, but sufficiently removed to preserve peace and privacy.

You don't have to compromise between style, space, location and lifestyle.

You get:
