Fully renovated apartment with 2 parking spaces and storage room in Benalmarina
Beautiful 2-bedroom apartment located in the popular Benalmarina development in Benalmádena.

The property has recently been completely renovated using high-quality materials and is ready to move into. The renovation includes a brand-new kitchen and bathroom, completely renewed electrical installation and a new lighting design. The result is a modern and comfortable apartment finished to a high standard.

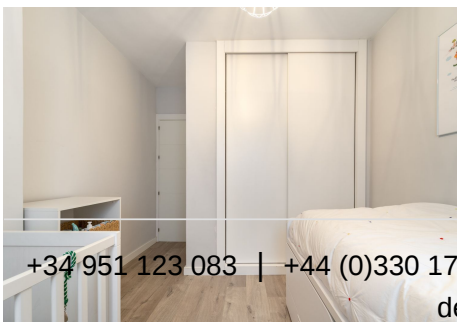

A major advantage is the inclusion of two private parking spaces and a private storage room, providing valuable extra storage and making the property particularly practical for a family with two cars.

Benalmarina is a peaceful and well-maintained residential development with communal gardens, swimming pools, a children's play area and sports facilities. Its location combines tranquillity with easy access to Benalmádena Pueblo, shops, restaurants, beaches and the rest of the Costa del Sol.
