surrounding views throughout much of the year. The apartment features air conditioning and is offered fully furnished and equipped, making it suitable for both permanent living and holiday use. According to the information provided, a Smart TV, internet connection and cot are also included, allowing the property to be enjoyed with minimal additional preparation. A private underground parking space and storage room are included in the price, while the building also benefits from lift access.

Lotus Doña Julia is a gated and monitored residential development surrounded by beautifully maintained landscaped areas and offering residents two communal swimming pools and a gym, creating an excellent environment for both year-round living and holidays. Beaches, restaurants, bars, shops, supermarkets, a marina and other essential amenities can be reached conveniently, with many facilities approximately 3-5 minutes away by car, while Málaga Airport is around 50 minutes by car via the AP-7, according to the information supplied.

Of particular interest to investment-focused buyers, the apartment currently holds a valid tourist rental licence and has several years of rental history together with positive reviews on Booking.com, adding to its appeal as an established holiday-rental property. Combining sea views, two bedrooms, two bathrooms, a generous 40 m² terrace, south-west exposure, furnishings, underground parking, storage, swimming pools, gym facilities and a tourist rental licence, this property represents an excellent opportunity as a permanent residence, Mediterranean holiday home or investment in Casares on the Costa del Sol.
