A three-bedroom, two-bathroom apartment on the middle floor of Cabo Bermejo, one of the New Golden Mile's most secure and considered residential communities. Originally developed by Phoenix Costa, the respected German developer, and completed in September 2024, the residence has been finished to an exacting standard throughout, with Miele appliances and a Bang & Olufsen television. It now returns to the market for its next owner.

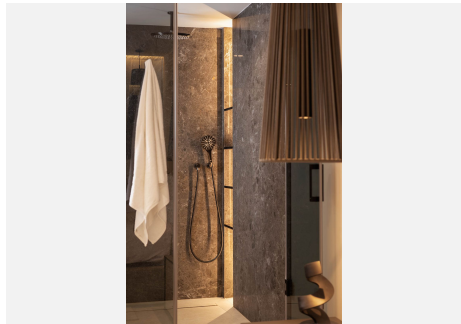

From the terrace, the outlook is direct and unobstructed. The Mediterranean fills the foreground, while the coastline extends towards Estepona town and, on a clear day, Gibraltar beyond. The setting is very much frontline beach, with the sea close at hand.

The community is gated with 24-hour security and offers two pools, gyms and saunas for residents. The apartment includes an underground parking space and a private storage room. A supermarket and a selection of ?restaurants ?are ?within ?walking ?distance, so ?daily life here ?is easy ?and unhurried.
