Just 200 metres from the beach and approximately a 10-minute walk from Puerto Banús, this beautifully renovated property enjoys a fantastic location in the sought-after area of Rio Verde on Marbella's Golden Mile.

The property has undergone a smart redesign, with the kitchen relocated to an open and social area connected to the living room. The renovation has created an additional bedroom, giving the apartment two bedrooms and sleeping accommodation for up to four people. The master bedroom features a stylish en-suite bathroom.

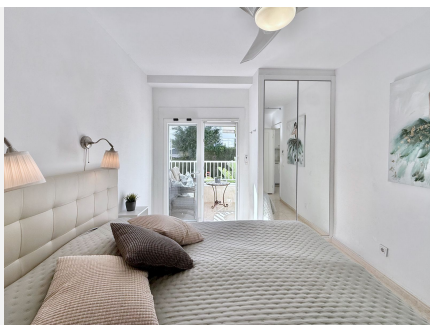

The property enjoys a lovely south-facing orientation with plenty of natural light and views over the well-maintained communal garden and pool area. The bright living and dining area creates a welcoming and social space.
