This extremely large duplex penthouse really does have the wow factor, and absolutely panoramic views from all 3 terraces. On the entrance floor is a large kitchen diner, a separate dining room (currently used as a bedroom), a guest shower room and a generous lounge with feature fireplace, and access to a large terrace. From this terrace is access up to the huge private roof terrace with Jacuzzi, outdoor kitchen, and lots of room. On the lower level are 3 enormous bedrooms, including a master ensuite and a very generous separate guest shower room, plus two of the bedrooms lead to yet another terrace. The gated community enjoys a wonderful pool area and Padel tennis court and secure off street allocated parking included. This property has a full calendar of holiday rental bookings, and a valid licence, and this can be taken over by the new owners.
