Beachfront townhouse in El Pirata, Estepona

Some homes have a sea view. In this one you hear the waves from your bed. This terraced townhouse sits frontline beach in the gated complex El Pirata, directly on El Velerín beach, with the promenade right outside the door.

THREE LEVELS, EACH WITH ITS OWN OUTDOOR SPACE
The house faces south. You enter onto a dining terrace of around 25 m² with plants. Behind it are the spacious living room with open designer kitchen and fireplace, and an extra room (currently an office) with its own en suite bathroom.

The first floor has two bedrooms, both with en suite bathroom and sea views. From this level you step onto the large terrace, with views as far as Gibraltar on clear days. A spiral staircase leads to the roof terrace: sunsets over the sea and complete privacy.
