that the townhouse also has a fast fibre optics connection. This pristine townhouse is distributed over three levels and is an ideal home for holidays or to live all year round with the added benefit of low community fees for a property of this size and exclusivity. On the ground level one will find a fully equipped kitchen, a spacious living / dining room with a fireplace, a guest bathroom and a terrace that is ideal for entertaining, sunbathing or having a barbecue. The urbanization is well maintained with a community swimming pool, manicured gardens, and pleasant mix of both Spanish and expatriate owners. On the next levels there are three large double bedrooms (all of them en-suite) and bathroom. All bedrooms have a balcony with beautiful views of Casares Pueblo, the mountains, and the sea. The urbanization is a 10-minute walk from Casares Pueblo with all its lively bars, restaurants, shops, and supermarkets. Within a fifteen-minute drive you will find the beach, Duquesa Marina and numerous golf courses including the world renowned Finca Cortesin that will host the Solheim Cup in 2023.
