A great opportunity to purchase a comfortable two-bedroom apartment in the new complex. Already in August you can receive the keys and enjoy magnificent views of the golf and lake in one of the most popular golf resorts La Cala Golf. This comfortable complex is built at the top of the hill overlooking the Europa Golf Course in La Cala Golf, in an excellent position with panoramic views of the golf course. This apartment is South facing ensuring natural light all day. The apartment has a large terrace with glass balcony enclosure so that you can fully enjoy the fabulous views of the golf course. The residence complex is located near to the Club House and the Hotel & Spa, where owners of these new properties can take advantage of the benefits and discounts provided by the Privilege Card. The project is split over two independent plots one will home 105 apartments and the other will have 90 apartments. The first line golf apartments are close to the hotel, Club House and the sports area and SPA. The complex is gated and will have a communal pool, indoor and outdoor parking spaces and communal gardens looking down the valley. This is a great place for families looking for a holiday home or investors looking for a property to rent out for the summer season with a good return.
