102 m²

This stunning and almost brand new apartment will take your breath away. It's beautifully designed and boasts beautiful views across the golf course and towards the sea, as well as truly panoramic views from the solarium of the surrounding area and the mountains. The apartment has been kept immaculately by the owners and comes with an underground parking space as well as a storage room. The community is closed and offers both an indoor as well as an outdoor swimming pool, as well as a gym, an concierge service. Walking distance to the beautiful beach at Cabopino!
