Duplex penthouse for sale in Málaga Centro Histórico, in the sought-after Atarazanas area, just steps from Mercado de Atarazanas. Fully renovated and designed for city living with outdoor space, this property offers 80 m<sup>2</sup> interior plus a 20 m<sup>2</sup> terrace with natural light all day, two en-suite bedrooms, and a private garage — a rare combination in the historic centre.

The main level features an open-plan kitchen and a generous living and dining area with striking double-height volume and large windows. From here you step directly onto the sunny terrace — the kind of outdoor space you will actually use — with views over Málaga's rooftops, the city, and the Atarazanas market area.

This floor also includes a comfortable en-suite bedroom, ideal for guests, family, or flexible everyday use.

Upstairs, the main bedroom is also en-suite, exceptionally bright, and thoughtfully arranged with extensive built-in storage. A wall of windows overlooks the living room and continues the sightline out to the terrace,
