This exclusive luxury villa, completed in 2023, combines modern architecture with top-quality construction and a carefully designed layout. The home is filled with natural light thanks to large floor-to-ceiling windows in every room, creating a harmonious sense of space and elegance. The villa is equipped with the latest smart home technology, allowing you to easily control temperature and functions via a central unit or app. Underfloor heating throughout the property and solar panels ensure year-round comfort and an energy-efficient lifestyle.

On the ground floor, you will find three spacious bedrooms, all with direct access to the terrace and pool area. The master bedroom features a luxurious en-suite bathroom and a generous walk-in closet. The upper floor impresses with an open-plan design, a state-of-the-art kitchen of the highest standard, and a bright living room. From here, you can access the large terrace, perfect for social gatherings with a dining area, lounge space, and barbecue, as well as partial sea views.
