Characterised by the visual strength of the avant-garde style and its spectacular sea views, Villa Sena stands as the villa that makes a difference. Luxurious, magnificent, minimalist. The main premise of this project has consisted of maximising the brightness in all rooms by filling them with natural light to maximise the luminosity of the place.

The unusual shape makes this villa an exclusive and unique design, both in terms of architecture and outer views. A garden of wavy, smooth, and modern lines. An infinity pool that invites you to relax. Spectacular sea views to the bay of Fuengirola. Nature, views and privacy will wrap you in fascinating vibes.
