Fabulous one-level villa with amazing sea views. The Villa is new to the market and is located in the sought after area of La Capellania, Benalmadena. The house is in need of some renovation but you will fall in love with the views, location, peace and tranquility that this home offers. Currently there are 4 bedrooms and 4 bathrooms. There is a very spacious kitchen, dining area and lounge with an interior patio. Plenty of parking at the entrance to the house also. This house has fantastic potential to renovate totally and add another floor on top which would offer incredible views or maintain the style and size as it is now. Just depends what you are looking for....we shall be happy to show you around....
