This property is one of the pioneer residences of La Zagaleta, designed by the architect Pablo Villarroel and set on an elevated, south-facing plot of 4,553 m² above the valley of the Old Course. The defining feature is the view: an uninterrupted line across the golf valley to the Mediterranean and Gibraltar, visible from almost every room.

The villa offers 893 m² built with 325 m². On the ground floor, the principal suite faces the sea and includes a walk-in wardrobe and a bathroom with private sauna, also with sea views. The same level holds the kitchen with marble worktops, a bar and an octagonal dining room. A spiral staircase leads to the upper floor, where a guest wing has its own terrace and bathroom. The lower level contains two further bedrooms, one with a sitting area and kitchenette. In a separate area are the garage for five cars, and a big storage area. An other big section that can be completed as a home-cinema, gymnasium, spa or additional suites.

Outside, terraced gardens surround the infinity pool with its cascade.
Solar panels and heat pumps are integrated.
