Upstairs, you'll find two double bedrooms sharing a bathroom, one of which has its own charming south-facing terrace. Both rooms offer generous wardrobe space. The master suite is truly impressive—originally two bedrooms, it now offers a large sleeping area, a refurbished bathroom with underfloor heating, and its own private terrace.

The lower level provides additional flexibility with a toilet and extra space that could easily be converted into an additional suite. Currently, it serves as an office, laundry area, storage, and garage.

The garden is a true highlight, featuring a saltwater heated pool with an electric cover, perfect for year-round enjoyment. And for those who appreciate nature and fresh produce, the property also boasts fig, lemon, and cumquat trees.

A bright, welcoming home with an unbeatable flow—this villa is a true gem for family living in the sun.
