Charming semi-detached house of 228 m², ideal for comfortable family living and conducting business. Located in a convenient place, it combines privacy, spaciousness, and functionality.

The residential part includes a large living room, equipped kitchen, 4 cozy bedrooms, an inner courtyard, and a sunny terrace with sea views.

Additionally, the house features a large multifunctional workshop, which can be used as a garage, workshop, car service, or any other commercial space.

Easy access, developed infrastructure, and the unique combination of residential and commercial properties make this property an exceptional offer.
