Do you want a bit of everything?

A good sized apartment, a sea view, a location where you can easily walk to restaurants, grocery store & beach?

Do you want something ready to go now, with all the furniture and knick-knacks that make a property ready to use, already there?

Do you want 2 bedrooms, 2 bathrooms so a family of 4 can comfortably stay?

Do you want a communal pool and do you want a South orientation to catch the afternoon sun, even in winter?

Do you want good value, and not to feel that a top location is out of reach?

Well here, you have it all. ?
